My Dear Mrs. Manley:— Received your order for 18th
and 21st— O.K.— Will ship them Friday mite.
There is no hurry for these because of the dates. You should
get them Monday morning.

I do hope you received the cuts of
Clarkson and Carter. Send me a mat of each,
please.

I was requested by Bill Leuschner to
send you the bill for the July 14th promotion in Albany.
I guess its O.K. to send it to you. The posters have
already been shipped and I hope you have a better
turnout than with Philly Stars.

Here's hoping you turn them away this
coming Sunday at Ruppert Stadium. This boy Clarkson
must be a very good player. Maybe the Phila Stars couldn't
use a couple of infielders right now.

If you see Jock Waters before Sunday
tell him that I shipped the 50 cards to him at Flores Cigar
Store - 2320 7th Ave. - Don't have a new address on Semler
as yet - - Lots of Luck - Regards to Abe and Miss Jacobs.
Mike
